## Transmission problem A4 2002

hello, I have Audi A4 B6 2002, 2.0L. Lately i get this problem with the transmission. only when the engine is running for few minutes and gets to the normal heat of 90 degrees, I cant strat driving unless i'm pressing the gas all the way down, and the first gear is integrated with hard bump to the engine (like someone hits the car in the back).
