5th Grade Science STAAR: Test Prep and Review Strategies

During STAAR season, my school puts us on a modified schedule called the “Double-Double”, where ultimately, 5th grade students get three hours a day of Reading and Math in the month before they test, then flip to three hours a day of Science for a month before that test is administered. I must say our scores have benefited greatly from this, although I know my school isn’t typical and ...

STAAR Study Guide

In science, the tests are Biology, Chemistry, and Physics. The math tests are Algebra I, Geometry, and Algebra II. The science test subjects are World Geography, World History, and American History. All three tests in each subject must be passed to receive a passing score in that subject, and the final score will count toward a student's grade.

TAKS

The alternate assessments allowed for TAKS are SAT, ACT, TSI, and STAAR. Former TAKS, TAAS, and TEAMS examinees should take only the appropriate part of the alternate assessment he or she needs to fulfill testing graduation requirements. More information about this option can be found in TAC §101.4003.
