Wetlands

Wetland classification methods. Over the years, classification methods have been developed to categorize and describe wetland types. Circular 39: Circular 39 is an older classification system developed primarily for the inventory and classification of waterfowl habitat. Wetlands are classified based on the frequency and depth of inundation as well as vegetation community.

Printable Tree Identification

printable sea otters pictures Nov 4, 2010 One of my favorite lesson plans for fall assign students to make a leaf identification booklet. Here are free printable leaf and tree identification
