## Ford N

The Ford N-series tractors were a line of farm tractors produced by Ford between 1939 and 1952, spanning the 9N, 2N, and 8N models.. The 9N was the first American-made production-model tractor to incorporate Harry Ferguson's three-point hitch system, a design still used on most modern tractors today. It was released in October 1939. The 2N, introduced in 1942, was the 9N with some improved ...

A page dedicated to collecting, restoring and using Ford 2N, 8N and 9N tractors. Includes complete specs, history, pictures and articles of interest to collectors, admirers and users of these great old machines!

## LS Parts manuals online

Both sites that Underdog and Deerherd posted work but they don't include the XR series parts which was introduced in 2013. Several other sites that did post manuals now have notes sayings they won't post manuals for LS tractor parts out of respect for other LS Tractor dealers or the model listing is there but nothing comes up when you click on them.

## New Holland Agriculture

In 1986, Ford bought Sperry New Holland and formed Ford New Holland Inc. Before this acquisition, Ford had a long history in agricultural machinery production. In 1907, Ford came out with the prototype for the world's first mass-produced, gasoline-powered tractor, named an 'automobile plow'.

## What type of oil for finish mower gearbox?

Newbie question - what type of oil do I need to put in a king kutter rfm? I just bought a 5' used mower from my neighbor and I'm not sure what I need to use to top it off and make sure it is ok before I use the mower.
