A New Guide to Rational Living by Albert Ellis

A Guide to Rational Living is a classic self-help manual and introduction to rational emotive therapy. The style of the book is somewhat rambling and "story telling," and some of the information is now a bit out of date, but the list of irrational ideas and the Disputing Irrational Beliefs activity are still very valuable.

Albert Ellis

A Guide To Rational Living is one of the most enduring books in the self-help/popular psychology literature, selling over a million copies. Since it was published over 40 years ago thousands of 'inspirational' titles have come and gone, but it continues to change people's lives.
