Welcome to Remote Central: Universal Remote Control ...

As home theaters become more and more popular, sooner or later everyone begins to experience the same basic problem: too many remote controls sitting on the coffee table. While a few such as those packaged with television sets or receivers may feature basic universal capability, it always seems there's a few buttons on every other remote that you're unable to program yet just can't live without.

Universal Remote Control Codes

Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.

Universal Remote Control Codes

Universal remote controls are a dime a dozen these days, and I bought one as a backup to my other remotes. The only problem with these things is that you need to know the codes of the remotes you want to emulate, and these codes are usually in the manual.
