## Rights

Rights are legal, social, or ethical principles of freedom or entitlement; that is, rights are the fundamental normative rules about what is allowed of people or owed to people, according to some legal system, social convention, or ethical theory. Rights are of essential importance in such disciplines as law and ethics, especially theories of justice and deontology.

## Natural

Section 1 of Article Two of the United States Constitution sets forth the eligibility requirements for serving as president of the United States, under clause 5 (emphasis added): . No Person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any Person be eligible to ...

1 In this judgment, I shall refer to the second to 76 th applicants – the individual applicants who were dismissed – as ‘the applicants’. In places, however, the context may indicate that this term also includes the first applicant.

## Social Science Dictionary with a Durkheim bias

A "general statement" "intended to develop a unified conceptual scheme for theory and research in the social sciences" was published by nine USA social scientists in 1951. Theory was to be based on a "theory of action" in which "the point of reference of all terms is the action of an individual actor or collective of actors".

## South Africa: Constitutional Court

The narrow question in this case is when a landlord may cancel a lease and evict its tenants. Behind this lies the impact of the protection the Constitution affords against eviction. 1 The applicants are tenants in Lowliebenhof, a ten-storey block of flats in Braamfontein, in the inner city of Johannesburg.

## Detailed Discussion of Dog Fighting

[109] All jurisdictions are subject to the Fifth and Fourteenth Amendments’ due process restraints on forfeiture of property. The Fifth Amendment provides, in pertinent part, that no person shall "be deprived of life, liberty,
