Parents Guide to the Pros and Cons of Homeschooling

There are parents who have a background and training in education who choose to homeschool. However, the majority of parents who homeschool do not have any training in this area. It is not realistic for any parent regardless of their education to be an expert on everything their child needs from kindergarten through twelfth grade.

The Parents Guide To Successful Home Schooling

The Parents Guide To Successful Home Schooling by CRC Press The Parents Guide To Successful Divorce: A Parents' Guide for Supporting Children. Today, nearly half of all marriages end in divorce. Two-thirds of these families include children, and this leaves many parents wondering what effect their divorce will have on their children in both the short and long term. NASP Center - Divorce: A Parents' Guide for Supporting ...

Tips for Successful Homeschooling Parents

They don't fall into the comparison trap. Successful homeschooling parents don't fall into the trap of comparing their homeschool to public or private school or another family's homeschool. They don't compare their kids' academic success to their homeschooled or public schooled peers. Successful homeschooling parents are content to be unique.
